

2ND FLOOR LOFTS

Each CAMPstreet loft is available as a warm shell of unfinished space. Using the unit as your canvas, hire your own design team to plan and finish out the loft to best express your style. The large open spaces, concrete floors, massive columns, concrete board form ceilings, and steel sash windows provide a backdrop to create the space of your dreams.

► This information is believed to be accurate but no representation or warranty of any kind, express or implied, is made by Camp Street Partners, L.P. (the "Seller") or Kuper Realty Corp. (the "Agent") with respect to the accuracy of any such information. The information contained herein supersedes any and all previous information and materials relating to the property, and prospective Buyers are cautioned that all such previous information and materials should be discarded and should not be relied upon in whole or in part. Prospective Buyers are also advised that oral representations cannot be relied upon as correctly stating the representations of Seller or its Agent. For correct representations, the Buyer should rely on the documents furnished by Seller to Buyer associated with the actual contract and closing on any unit. The graphic materials, plans, specifications, prices, terms, square footages, conditions, and statements contained in the brochure and the insert sheets are proposed only, and have not been finalized. Seller reserves the right to modify, revise or withdraw any or all of such information in its sole discretion and without prior notice. All improvements, design, final square footages, and construction are subject to first obtaining the appropriate federal, state and local permits. Buyer should recognize that the build-out of an adjacent unit or a unit above or below a particular unit might impact the square footage, design, move-in date, or desirability of a particular unit to be purchased by a prospective Buyer.
